Notification dated 26th December 1952.

Quotation for collection and conveyance of Rubble during 1952-53.

1. It is hereby notified that sealed quotations will be received at the office of the Executive Engineer, Bhadra Reservoir Construction Division, Bhadra Reservoir Project Post, upto 4 P.M. on Thursday, the 15th January 1953, for collection and conveyance of rubble from the approved quarries.

2. The quotation should be superscribed as "Quotations for collection of Rubble". Rates have to be quoted for one unit of 100 c.ft. separately for the works noted below:—

(a) For collection and supply of hard and sound variety of granite rubble from the following approved quarries including stacking at Dam site, after conveyance. Blasting and smithy charges will be free and will be arranged departmentally. The size of stones should not be less than one c.ft. and higher than 3½ c.ft. No separate rate will be paid for any preliminary works, such as earthwork for exposing the quarry and for removing the weathered top layer of rock, etc.

i. Singanamane Quarry.
ii. Island Quarry.
iii. Hosamane Quarry.
iv. Gowrigudda Quarry.
v. 4th Mile Quarry.
vi. Lakkinkoppa Quarry.

(b) Loading rubble at the quarry to the lorry and unloading at Dam site after conveyance from the approved quarries.

(c) Conveyance charges by contractors lorry for every mile lead from 1 to 10 miles and part of a mile, *i.e.*, every half a mile.

(d) Loading of rubble to trucks at Singanamane quarry and unloading at Dam site (after conveyance by Diesel Locomotive).

(e) Do do (by trolley push buckets).

3. The materials collected will be measured on stacks at the materials yard, and a deduction of not less than 40 per cent for voids will be made depending upon the nature of stacking.

4. Deductions towards royalty, etc., as per departmental rules specified from time to time will be recovered in bills and adjusted.

5. The contractor has to make his own arrangements for conveyance of materials to the materials yard. The vehicle for conveying of materials will be made available departmentally upon the exigencies of work and availability and the hire charges as per departmental rules will be levied and recovered.

6. Quotations should be accompanied by a Treasury challan for having credited a sum of Rs. 200 (Two hundred rupees) towards earnest money deposit in any Government Treasury under Revenue Deposits.

7. Quotations will be opened on 15th January 1953 at 5 P.M. by the Executive Engineer or any other officer authorised by him in the presence of such of the contractors who will be present at that time.

8. The Executive Engineer reserves the right of rejecting any quotation without assigning any reason therefor. The final acceptance of the quotation will rest with the Superintending Engineer, Shimoga Circle. The Executive Engineer reserves the right to distribute the work at the accepted rate among several contractors who have quoted for the work and who are willing to take up the work as per the accepted rates.

9. The earnest money tendered by the successful tenderers will be taken as security amount, till the completion of the work.

10. The contractors to whom the works are entrusted should execute a *mutchalika* on ten annas stamp paper within a week from the date of acceptance of the quotation in the prescribed form, for the due fulfilment of the conditions specified therein or any other conditions that may be prescribed by the Department in this behalf from time to time.

11 The contractor should bind himself for the payment of Sales-tax as per rules to the Sales Tax Officer.

12. The contractor should bind himself for payment of workmen's compensation as per G.O. No. P.W. 4787-89—Irn. 21-52-1, dated 27th August 1952. He has to empower the Executive Engineer to effect such recoveries from h bills, as may be necessary for payment of compensation to disabled persons employed under them, care being taken to see that Government is not put to any loss, on any account.

13. The successful piece-worker will bind himself for the good behaviour of himself and his workmen to all the departmental staff.
